

PEEK AT OUR WEEK

Week of March 13th, 2023

Reminders

- HRS is collecting lunches & various items for the St. Martin de Porres Shelter (items will depend on your family's last name):
 - Fri. March 17th:**
Last Names A-L:
brown bag lunches (can be perishable—sandwiches, fruit, etc.)
Last Names M-Z:
men's socks
- During this season of alternating sunny and rainy weather, please make sure your child brings a coat to school daily. We go to recess rain or shine!
- Our second trimester ends this Friday (can you believe it?!). Report cards will be emailed home on Friday, March 24th.
- We'll do a safety lesson on trusted adults and sharing with them if anything uncomfortable or scary ever happens to us. Please let me know if you'd like your child to opt out of the lesson.

This Week in 1A

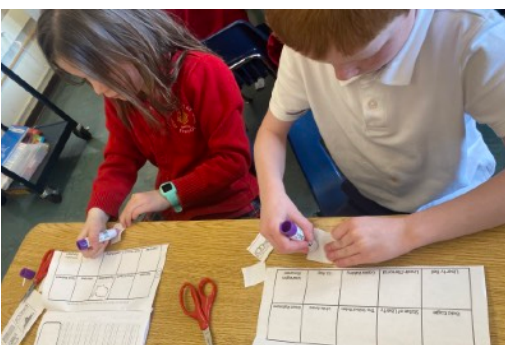

Religion: This week we celebrate Saint Patrick, known as the Apostle of Ireland, who dedicated his life to proclaiming the Gospel and converting tens of thousands to faith in Christ. Saint Joseph also has his feast day this week, and we honor him as the foster father of Jesus and patron saint of families and workers.

Language Arts: Our spelling words this week are **bedtime, sunset, backpack, raincoat, and inside** (we are focusing on compound words). Our challenge word is **St. Patrick**. Our dictation sentence is: **When is your bedtime?**

We'll read fantasy texts this week, talk about cause & effect, learn about prepositional phrases (which tell when or where), and immerse ourselves in compound words!

Math: We begin our study of measurement and data, learning all about tallying, graphs, and charts. When we survey people, we are asking the same question to each person to collect data, or information, about them.

Science: We have wrapped up our study of the US and are moving into a study of dental health!

A PEEK INSIDE 1A

Star of the Week

OLIVE

Olive was our Star this past week! We learned that she loves pizza, chocolate, gymnastics, and roses. Olive's favorite thing to do at school (and at home!) is to read, her favorite animal is a leopard, and her favorite holiday is Christmas. She loves the color teal and the season of winter! She would like to be an animal scientist when she grows up. We are so happy to have Olive as a part of our 1A family!

Happy birthday, Brooklyn!

Happy birthday, Cole!
