

# PEEK AT OUR WEEK

*Week of October 31st, 2022*

We put spider rings on our tracking fingers to help us read!

## Reminders

- We go to recess rain or shine. Please make sure your child has a waterproof jacket when it's rainy!
- Thank you to our fabulous room parents, Melissa Hart and Kelly Poirier, for organizing our class Halloween party today!
- We will go to mass tomorrow, Tuesday, November 1st, for All Saints' Day. **Perfect uniform, please** (regular uniform on Wednesday).
- Our November conference sign ups will be released on Wednesday, November 2nd by email.
- Picture retakes are this Thursday, November 3rd.

## This Week in 1A

**Religion:** This week we will learn about saints: holy men and women of God who love others and put God first. They are the superheroes of our church! Our fourth graders, dressed as various saints, will be leading our school community in prayer as we celebrate All Saints Day together.

**Language Arts:** We will read informational texts on animals and how they communicate, practice using commas when writing a list or a series, and start our spelling notebooks this week! Using our phonograms, we will spell words together, which we will analyze for spelling rules, phonograms, etc. *Beginning next week we'll have weekly spelling tests (more information to come!).*

**Math:** We are continuing to work on subtraction this week. We've been practicing finding all the ways to subtract from 6, 7, 8, 9, and 10 (ie: 10-1, 10-2, 10-3, 10-4, etc.)  
*\*One of our grade level standards is to count by 1s, 2s, 5s, and 10s to 120. Students can practice counting in the car, while waiting in line at the grocery store, while playing hide and seek, etc.*

**Social Studies:** We will begin working on a secret project this week. More will be revealed at your child's conference!

# A PEEK INSIDE 1A

## Star of the Week

### MRS. DAVISON

Mrs. Davison was our Star this past week! We learned that she loves cats, reading, and first grade. Mrs. Davison enjoys playing cribbage, baking (her current favorite treat to make is pumpkin chocolate chip cookies with maple frosting), and spending time with her family and friends. When she was little, she wanted to be an astronaut and a teacher. Mrs. Davison feels so blessed and happy to be apart of our 1A family!

*Happy birthday, Grayson!*

*Happy birthday, Annalise!*

# AN EXTRA PUMPKIN PEEK!

We read about pumpkins, drew pumpkins in Tech Lab, made pumpkin collages, measured pumpkins with cubes, weighed pumpkins, wrote about our favorite pumpkin foods, and even tasted pumpkin!
