This Week in 1A

Religion: In our chapter "Jesus Teaches Love," first graders will learn that a commandment is a law that God made for people to obey. The Great Commandment teaches that you are to love God with all your heart, being, strength, and mind; and to love others as you love yourself.

Language Arts: Our spelling words this week are **time, bike, like, white, kite, drive, stripe, and mice** (we are focusing on words with long i that end with super/magic e). Our challenge word is **Arctic**. Our dictation sentence is: **I like that.**

We'll discuss the verb "be" and its various tenses. We'll practice reading words with the digraphs kn, wr, gn, and mb (which all have a silent letter).

Math: We've moved into our study of place value. This week, we'll learn that a two digit number is made up of ten and some more, we'll count by tens, and we'll identify & count dimes.

A PEEK INSIDE 1A

Star of the Week

NICKY

Nicky was our Star this past week! We learned that he loves dogs, pizza, spring time, and Monopoly. Nicky's favorite sport is baseball, his favorite flavor is vanilla, and his favorite holiday is Valentine's Day. He enjoys playing and watching movies with his family. When he grows up, he would like to be Spiderman.

We are so happy to have Nicky as a part of our 1A family!

Happy birthday, Blake!
